

# POWERFUL PRODUCTIVITY TIPS FOR REALTOR SMARTPHONES

*Know more. Do more. Spend less.*

## Overview of Realtor Smartphone Training

Spend less time running to the office and more time with your clients, saving time and money for both of you. Many Real Estate Agents have had their Smartphone emails set up with the Carrier or Reseller when they purchased their device. This isn't necessarily a good thing. How your signature looks? Are you advertising for the Carrier? As a mobile Real Estate Agent, you need to have important information and communications at your fingertips.

Our Smartphone workshops allow Real Estate Brokers and Agents to:

- **Improve Client Satisfaction while you save up to 1 hour a day**
  - The Smartphone solution gives you and your team the ability to instantly respond to existing and potential customers. Your business will gain improved client loyalty and satisfaction with fast responses to requests.
- **Perform Quick MLS Searches**
  - Impress your clients with fast and easy searches of MLS listings. Smartphones keep you in the know on the go, always connected to the office, clients and the marketplace.
- **Get to Where You Need to Go**
  - Improve your productivity and efficiency with convenient access to maps and directions using Maps and Global Positioning System (GPS) location-based services to help you get to where you need to go.
- **Schedule with Ease**
  - Easily access client information with the address book and set up or accept meetings while on the road.
- Learn how to add a text to our address book so you know who is texting you next time around!
- **Send Property Pictures Instantly**
  - Snap pictures of new properties using the camera on your Smartphone. Then send them instantly via email.
- **Voice Recording**
  - Take quick notes while you are at a listing without ever having to pick up a pen.
- **Find out the top APPS to use**
